

! INCHDAIRNIE DISTILLERY

INVEST IN FIFE

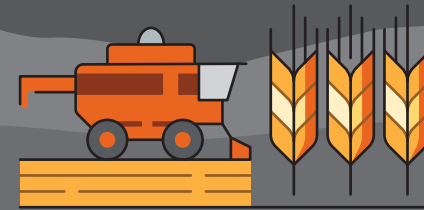

“Support at every stage of the journey from **Invest in Fife** was critical to locating in Fife. Their ongoing support has contributed to the ongoing success of the distillery.”

– **Ian Palmer, MD**
InchDairnie Distillery

UTILITIES

Fife is well connected: close to all communications and energy utilities.

BARLEY

Uses malted barley grown in Fife and tested via own research and development still.

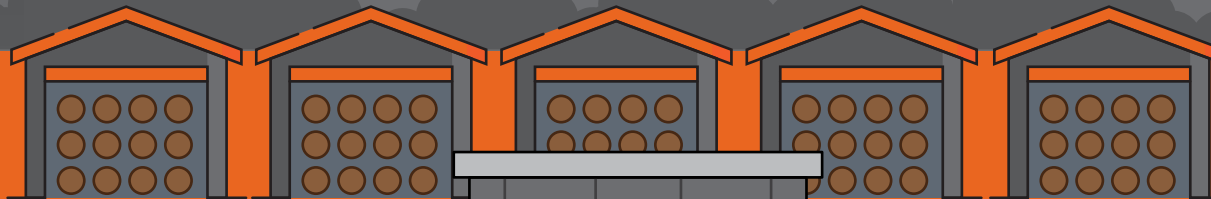

RESEARCH

Development partners Tatlock and Thomson who provide scientific services are also based in Fife.

START - UP

Fife is an easy place to start up a distillery.

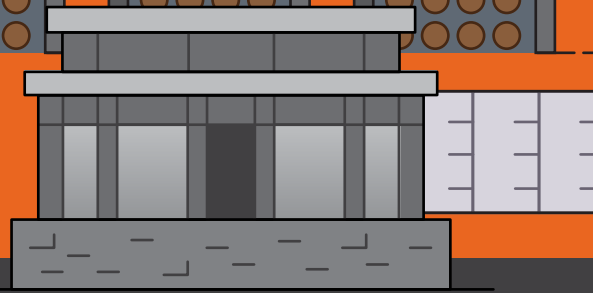

WAREHOUSING

Fife was able to offer a large area of land to accommodate distilling and maturation warehousing.

FLAVOUR

Focus on the flavour and maximise this – redesigned process keeping within the legal definition of whisky.

DISTRIBUTION

Product distributed all over the World – N Europe, N & S America & Far East

IDEAL LOCATION

Close to the motorway network and within 1 hr drive of Grangemouth for container shipping.
